THE EMPLOYER ENGAGEMENT PROGRAM

Keyba Careers has developed a short, online course designed to prepare young people for the workforce by teaching them what to expect from the employer's perspective.

OUR COURSE COVERS THE FOLLOWING

- How to get a Job
- Understanding business in today's world
- Understanding what customer service is
- Having a good sales approach
- How to sell yourself over the phone
- Understanding the recruitment process
- Developing your career plan

A Better Way to Recruit.

EMPLOYING YOUNG PEOPLE IN YOUR BUSINESS

1. JOB AD

We'll work with you on writing a creative job ad to attract a large pool of applicants, asking them to include 5 reasons why they would like to work and start their career in your business.

- Share job ad on all social platforms for Keyba Careers & KBA.
- Selection is made easier based on the 5 reasons given

We've helped countless organisations write job ads as part of their recruitment strategy and can come up with a great ad to attract the best people!

2. THE PROGRAM

As part of the recruitment strategy, selected applicants will be required to complete the 'Employer Engagement Program' online and bring their completed certificate to the interview.

Your potential employee will be prepared for the workforce without having even started with you!

3. GROUP INTERVIEWS

Group interviews are an efficient way to interview a large number of people all at once, saving you valuable time and money.

Group Interviews are perfect for hiring people as you will be able to see how they work in a team, how they collaborate with others and how good they are at problem-solving and communicating.

You will be able to create a short list and conduct final face-to-face interviews to make your selection with a higher chance of success
